The last meeting of the Area Committee heard that The County Council has been consulting on the creation of a new bus stop on Cherwell Drive. The stop was requested by an elderly resident of Eden Drive who finds it difficult to walk up the hill from the parade of shops to the nearest south-east bound bus stop (Copse Lane). Map attached page 4.1. The County Council has received a number of objections to the new stop from local residents. (County Councillor Rose had requested that the matter be discussed at the North East Area Committee).

The February Area Committee resolved to request The Oxfordshire County Council to submit a report to the next meeting of the Area Committee detailing all of the options available.

DECLARATIONS OF INTEREST BY COUNCILLORS SERVING ON THE COMMITTEE

What is a personal interest?

You have a personal interest in a matter if that matter affects the well-being or financial position of you, your relatives or people with whom you have a close association more than it would affect the majority of other people in the ward(s) to which the matter relates.

A personal interest can affect you, your relatives or people with whom you have a close personal association positively or negatively. If you or they would stand to gain or lose by the decision, you should also declare it.

You also have a personal interest in a matter if it relates to any interest, which you must register.

What do I need to do if I have a personal interest?

You must declare it when you get to the item on the agenda headed “Declarations of Interest” or as soon as it becomes apparent to you. You may still speak and vote unless it is a prejudicial interest.

If a matter affects a body to which you have been appointed by the authority, or a body exercising functions of a public nature, you only need declare the interest if you are going to speak on the matter.

What is a prejudicial interest?

You have a prejudicial interest in a matter if;

- (a) a member of the public, who knows the relevant facts, would reasonably think your personal interest is so significant that it is likely to prejudice your judgment of the public interest; and
- (b) the matter affects your financial interests or relates to a licensing or regulatory matter; and
- (c) the interest does not fall within one of the exempt categories at paragraph 10(2)(c) of the Code of Conduct.

What do I need to do if I have a prejudicial interest?

You must withdraw from the meeting. However, under paragraph 12(2) of the Code of Conduct, if members of the public are allowed to make representations, give evidence or answer questions about that matter, you may also make representations as if you were a member of the public. However, you must withdraw from the meeting once you have made your representations and before any debate starts.

CODE OF PRACTICE FOR DEALING WITH PLANNING APPLICATIONS AT AREA COMMITTEES AND STRATEGIC DEVELOPMENT CONTROL COMMITTEE (SDCC)

Planning controls the development and use of land in the public interest. Applications must be determined in accordance with the Council's development plans unless material planning considerations indicate otherwise. The Committee must be conducted in an orderly, fair and impartial manner.

The following minimum standards of practice will be followed:

1. All Members will have pre-read the officers' report. Members are also encouraged to view any supporting material.
2. At Area Committees applications will either be dealt with as a separate section on the agenda so that it is clear to all present that the nature of the meeting has changed from being participatory, or if necessary at a separate meeting. The Chair will make an announcement to this effect and will clarify for all present which Members are entitled to vote.
3. The sequence for each application shall be as follows:-
 - (a) The Planning Officer will introduce;
 - (b) Parish and County Councillors may speak for up to 5 minutes in total provided that the application lies within their parish or division;
 - (c) Any objectors may speak for up to 5 minutes in total;
 - (d) Any supporters may speak for up to 5 minutes in total;
 - (e) Speaking times may be extended by the Chair provided that equal time is given to both sides
 - (f) Voting members of the Committee may ask questions (which shall be directed via the Chair to the relevant Officer or speaker);
 - (g) Voting members will debate and determine the application.
4. Members of the public wishing to speak must complete a "Planning Speakers" form and hand it to the Area Co-ordinator or Democratic Services Officer or the Chair before the planning part of the meeting commences or alternatively you can e-mail northeast@oxford.gov.uk before 10.00 am on the day of the meeting, giving details of the your name, the application/agenda item you wish to speak on and whether you are objecting or supporting the application. No documents may be referred to unless they have been circulated to all parties at least 48 hours before.
5. All representations should be heard in silence and without interruption. The Chair should discourage disruptive behaviour. Members of the public are reminded that if the meeting is not allowed to proceed in an orderly manner then the Chair will withdraw the opportunity to address the Committee. The Committee is a meeting held in public, not a public meeting.
6. Members should not:-
 - (a) Rely on considerations which are not, in law, material;
 - (b) Question the personal integrity or professionalism of officers in public;
 - (c) Proceed to a vote if minded to determine an application against officer's recommendation until the reasons for that determination have been formulated.
 - (d) Seek to re-design, or negotiate amendments to, an application (but the committee may impose appropriate conditions).
