

Background paper A(ii): Links with other relevant documents

This background paper sets out the relationships between the Core Strategy and other key local and regional planning documents.

Core Strategy DPD	Draft South East plan Including section on Oxfordshire sub-regional strategy	Regional Economic Strategy 2006-2016	Oxfordshire Structure Plan 2016	Draft Sustainable Community Strategy: Oxfordshire 2030	Draft Oxford Sustainable Community Strategy 2008-2012	Oxford Local Plan 2001-2016
Section 1 - The spatial strategy and strategic locations for development						
General	<p>Policy CC1: Sustainable development</p> <p>Policy CC2: Climate Change</p> <p>Policy SP3: Urban focus and urban renaissance</p> <p>Policy RE2: Supporting nationally and regionally important sectors and clusters</p> <p>Policy BE1: Management for an urban renaissance</p> <p>Policy CO1: Core Strategy</p>	<p>Action 9: Ensure sufficient and affordable housing and employment space of the right type and size to meet the needs of the region and support its competitiveness, and create the climate for long-term investment through the efficient use of land resources, including mixed-use developments</p>	<p>Policy G1. General policies for development</p> <p>Policy E6. Employment and housing</p> <p>Policy TC1. The principal locations for development</p>	<p>4. Reducing inequalities and breaking the cycle of deprivation</p>	<p>4. Our over-riding vision is that Oxford will be a world class city for everyone.</p>	<p>Policy CP.1: Development proposals</p> <p>Policy CP.3: Limiting the need to travel</p> <p>Policy CP.4: Greenfield development</p> <p>Policy CP.5: Mixed-use developments</p> <p>Policy CP.6: Efficient use of land & density</p>

Core Strategy DPD	Draft South East plan Including section on Oxfordshire sub-regional strategy	Regional Economic Strategy 2006-2016	Oxfordshire Structure Plan 2016	Draft Sustainable Community Strategy: Oxfordshire 2030	Draft Oxford Sustainable Community Strategy 2008-2012	Oxford Local Plan 2001-2016
CS1 - City centre	Policy TC1: Strategic network of town centres Policy TC2: New development and redevelopment in town centres		Policy TC1: The principal locations for development Policy TC2: Maintaining and enhancing centres			Policy CP.3: Limiting the need to travel
CS2 - District centres			Policy TC1: The principal locations for development Policy TC2: Maintaining and enhancing centres			Policy CP.3: Limiting the need to travel
CS3 - Previously developed land and Greenfield land	Policy SP3: Urban focus and urban renaissance		Policy G1. General policies for development			Policy CP.4: Greenfield development Policy HS.2: Recycling land target
CS4 - Regeneration areas		Action 14: Enable more people to benefit from sustainable prosperity across the region and reduce polarisation between communities		4. Reducing inequalities and breaking the cycle of deprivation		Policy DS10: Blackbird Leys road – Regeneration zone
CS5 - Green Belt	Policy SP5: Green belts Policy CO4: Green Belt		Policy G4. Green Belt			Policy NE.1: Purposes of Oxford's Green Belt Policy NE.2: Control of development within Oxford's Green Belt

Core Strategy DPD	Draft South East plan Including section on Oxfordshire sub-regional strategy	Regional Economic Strategy 2006-2016	Oxfordshire Structure Plan 2016	Draft Sustainable Community Strategy: Oxfordshire 2030	Draft Oxford Sustainable Community Strategy 2008-2012	Oxford Local Plan 2001-2016
CS6 - West End	Policy BE1: Management for an urban renaissance	Policy CO5: Economy		1. A world class economy: We need to build on Oxfordshire's vibrant economy and make sure that everyone has an opportunity to be included in that success.	6.4 – To work in partnership to improve the public realm in all areas of the city.	
CS7 - Northern Gateway						Policy NE.3: Safeguarded land
CS8 - Land at Barton						Policy NE.3: Safeguarded land
CS9 - South Oxford Strategic Development Area	Policy C5: Managing the rural urban fringe					
CS10 - Land at Summertown						Policy NE.3: Safeguarded land
Section 2 - Responding to climate change						
General	Policy CC2: Climate Change			3. Environment and climate change: Responding to the challenges of climate change, minimising the effects of flooding, looking after our environment, reducing waste and use energy are all important in improving the quality of life for Oxfordshire's people.	6.3 – To work towards Oxford city becoming a carbon neutral city and a centre of excellence for climate change adaptation and mitigation initiatives.	

Core Strategy DPD	Draft South East plan Including section on Oxfordshire sub-regional strategy	Regional Economic Strategy 2006-2016	Oxfordshire Structure Plan 2016	Draft Sustainable Community Strategy: Oxfordshire 2030	Draft Oxford Sustainable Community Strategy 2008-2012	Oxford Local Plan 2001-2016
CS11 - Energy and natural resources	<p>Policy CC3: Resource use</p> <p>Policy CC4: Sustainable design and construction</p> <p>Policy NRM11: Development design for energy efficiency and renewable energy</p> <p>Policy NRM12: Combined heat and power</p> <p>Policy W2: Sustainable design, construction and demolition</p>	<p>Action 9.7: Ensure that development is supported by the delivery of adequate and timely environmental infrastructure</p> <p>Action 11: Reduce CO2 emissions attributable to the South East by 20%... and increase the contribution of renewable energy to overall energy supply in the south east, to meet national targets of 10% of electricity demand by 2010 and aspire to achieve 20% by 2020</p> <p>Action 12: Reduce per capita water consumption in the South East by 20% from 169 litres per day in 2003-04 to 135 litres per day by 2016, and achieve a 30% increase over the 2003 baseline In GVA generated by tonne of materials entering the waste stream by 2016</p>	<p>Policy G6: Energy and resource conservation</p> <p>Policy EG1: Proposals for renewable energy development</p> <p>Policy EG2: Combined heat and power</p>	<p>3. Environment and climate change: Responding to the challenges of climate change, minimising the effects of flooding, looking after our environment, reducing waste and use energy are all important in improving the quality of life for Oxfordshire's people.</p>	<p>6.3 – To work towards Oxford city becoming a carbon neutral city and a centre of excellence for climate change adaptation and mitigation initiatives.</p>	<p>Policy CP.15: Energy efficiency</p> <p>Policy CP.16: Renewable energy</p> <p>Policy CP.17: Recycled materials</p> <p>Policy CP.18 – Natural Resources Impact Analysis</p>

Core Strategy DPD	Draft South East plan Including section on Oxfordshire sub-regional strategy	Regional Economic Strategy 2006-2016	Oxfordshire Structure Plan 2016	Draft Sustainable Community Strategy: Oxfordshire 2030	Draft Oxford Sustainable Community Strategy 2008-2012	Oxford Local Plan 2001-2016
CS12 - Waste and recycling	Policy W2: Sustainable design, construction and demolition		Policy WM2: Waste management facilities	3. Environment and climate change: Responding to the challenges of climate change, minimising the effects of flooding, looking after our environment, reducing waste and use energy are all important in improving the quality of life for Oxfordshire's people.	6.3 – To work towards Oxford city becoming a carbon neutral city and a centre of excellence for climate change adaptation and mitigation initiatives.	
CS13 - Flooding	Policy NRM4: Sustainable flood risk management	Action 9.7: Ensure that development is supported by the delivery of adequate and timely environmental infrastructure	Policy EN9: Flood risk and surface water drainage	3. Environment and climate change: Responding to the challenges of climate change, minimising the effects of flooding, looking after our environment, reducing waste and use energy are all important in improving the quality of life for Oxfordshire's people.	6.3 – To work towards Oxford city becoming a carbon neutral city and a centre of excellence for climate change adaptation and mitigation initiatives.	Policy NE.7: Development in the undeveloped flood plain Policy NE.8: Development on low- lying land Policy NE.9: Flood risk assessment Policy NE.10: Sustainable drainage

Core Strategy DPD	Draft South East plan Including section on Oxfordshire sub-regional strategy	Regional Economic Strategy 2006-2016	Oxfordshire Structure Plan 2016	Draft Sustainable Community Strategy: Oxfordshire 2030	Draft Oxford Sustainable Community Strategy 2008-2012	Oxford Local Plan 2001-2016
CS14 - Biodiversity	Policy NRM5: Conservation and improvement of biodiversity	Action 13: Achieve measurable improvements in the quality, biodiversity and accessibility of green space, open space and green infrastructure	Policy EN2: Biodiversity	3. Environment and climate change: Responding to the challenges of climate change, minimising the effects of flooding, looking after our environment, reducing waste and use energy are all important in improving the quality of life for Oxfordshire's people.		Policy NE.17: Biodiversity Policy NE.18: Special Areas of Conservation and Sites of Special Scientific Interest Policy NE.19: Sites of Local Importance for Nature Conservation and Local Nature Reserves Policy NE20: Wildlife corridors Policy NE21: Species protection Policy NE23: Habitat creation in new developments
Section 3 - Providing infrastructure to support new development						
General	Policy CC7: Infrastructure and implementation Policy CO5: Transport	Action 9.7: Ensure that development is supported by the delivery of adequate and timely environmental infrastructure	Policy G3. Infrastructure and service provision			

Core Strategy DPD	Draft South East plan Including section on Oxfordshire sub-regional strategy	Regional Economic Strategy 2006-2016	Oxfordshire Structure Plan 2016	Draft Sustainable Community Strategy: Oxfordshire 2030	Draft Oxford Sustainable Community Strategy 2008-2012	Oxford Local Plan 2001-2016
CS15 - Supporting access to new development	<p>Policy SP2: Regional hubs</p> <p>Policy T1: manage and invest</p> <p>Policy T2: Mobility management</p> <p>Policy T4: Parking</p> <p>Policy T5: Travel plans and advice</p>	Action 8: Reduce road congestion and pollution levels by improving travel choice, promoting public transport, managing demand and facilitating modal shifts	<p>Policy T1: Sustainable travel</p> <p>Policy T2: Car parking</p> <p>Policy T3: Public transport</p> <p>Policy T5: Networks for pedestrian and cyclists</p> <p>Policy T6: Networks for motorised travel</p> <p>T8: Development proposals</p>	<p>1. A world class economy: We need to build on Oxfordshire's vibrant economy and make sure that everyone has an opportunity to be included in that success.</p> <p>2. Healthy and thriving communities: Oxfordshire is a great place to live for most but not all, and we need to tackle crime, anti-social behaviour, health inequalities, housing and transport.</p>	6.3 – To work towards Oxford city becoming a carbon neutral city and a centre of excellence for climate change adaptation and mitigation initiatives.	<p>Policy TR.1: Transport Assessment</p> <p>Policy TR.2: Travel Plans</p> <p>Policy TR.3: Car-parking standards</p> <p>Policy TR.4: Pedestrian and cycle facilities</p> <p>Policy TR.5: Pedestrian and cycle routes</p> <p>Policy TR.7: Bus services and bus priority</p> <p>Policy TR.9: Park and Ride</p>

Core Strategy DPD	Draft South East plan Including section on Oxfordshire sub-regional strategy	Regional Economic Strategy 2006-2016	Oxfordshire Structure Plan 2016	Draft Sustainable Community Strategy: Oxfordshire 2030	Draft Oxford Sustainable Community Strategy 2008-2012	Oxford Local Plan 2001-2016
CS16 - Supporting City-wide movement	<p>Policy SP2: Regional hubs</p> <p>Policy T1: Manage and invest</p> <p>Policy T2: Mobility management</p> <p>Policy T4: Parking</p> <p>Policy NRM9: Air quality</p> <p>Policy CO5: Transport</p>	Action 8: Reduce road congestion and pollution levels by improving travel choice, promoting public transport, managing demand and facilitating modal shifts	<p>Policy T1: Sustainable travel</p> <p>Policy T2: Car parking</p> <p>Policy T3: Public transport</p> <p>Policy T5: Networks for pedestrians and cyclists</p> <p>Policy T6. Networks for motorised travel</p>	<p>1. A world class economy: We need to build on Oxfordshire's vibrant economy and make sure that everyone has an opportunity to be included in that success.</p> <p>2. Healthy and thriving communities: Oxfordshire is a great place to live for most but not all, and we need to tackle crime, anti-social behaviour, health inequalities, housing and transport.</p>	6.3 – To work towards Oxford city becoming a carbon neutral city and a centre of excellence for climate change adaptation and mitigation initiatives.	<p>Policy TR.3: Car parking standards</p> <p>Policy TR.4: Pedestrian & cycle facilities</p> <p>Policy TR.5: Pedestrian and cycle routes</p> <p>Policy TR.7: Bus services and bus priority</p> <p>Policy TR.8: Guided bus/local rail service</p> <p>Policy TR.10: Oxford station improvements</p> <p>Policy TR.11: City centre car parking</p>
CS17 - Primary healthcare	Policy S2: Promoting sustainable health services			<p>2. Healthy and thriving communities: Oxfordshire is a great place to live for most but not all, and we need to tackle crime, anti-social behaviour, health inequalities, housing and transport.</p> <p>4. Reducing inequalities and breaking the cycle of deprivation</p>	6.2 - To improve health and social inclusion in Oxford city by providing opportunities and improving services for the most disadvantaged and vulnerable.	Policy HH.1: Protection of primary healthcare facilities
