

Oxford 2026

Core Strategy

Preferred Options

Oxford City Council is preparing a 'Core Strategy' that will set out the pattern of development across Oxford until 2026. This considers potential options to develop 5 key strategic locations for development:

- Land at Pear Tree
- Land at Summertown
- Southfield Golf Course (East and West)
- Land at Barton

As your address is close to one of these locations, we would welcome your views at a **drop-in session**.
