Please give details of your reasons for support/ opposition, or make comments here:

I am regular tennis player on the grass courts in the summer. These are the only public grass courts in the neighbourhood. The number of courts has already been reduced from 11 to 6 and I would like the policy statement to provide assurance that there will be no further reduction in the number of grass courts. Sporting activity should be encouraged and tennis is an excellent community activity, supported by Norham Gardens LTC.
