SUPPORT: Alex. Park is a rare & valuable green space in an increasingly urbanised part of Oxford. The Tennis courts, all weather court and the childrens play area are all well used & should be retained as is.

The green space is needed as a place for all to walk, relax or play.

What improvements or modifications would you suggest?

In my opinion all that is needed is ~~is~~ :—

- ① refurbishment of the toilets to include changing facilities accessible to all.
- ② Some benches for people to sit around the open green area.
- ③ Consideration should be given to the removal of the present parking area & replacing with a grassed area.
