Comments Do not cut away at the tennis courts.
Exercise is very important for the health of people of all ages. Grass tennis courts are something which should be valued and protected. The name is Alexandra Courts (not Park) There is a good Park at Culterstone. There should be parking at Alexandra Courts for which members of Northam Gardens can pay annually and park there when playing tennis. This facility could be available to other tennis players. I played hockey at Alexandra Courts in the winter time from the 1950s. I was a City Councillor for 38 years.
