Please give details of your reasons for support/ opposition, or make comments here:

**Heritage and local character**  
**Spatial policies**

**Policy HES1 Character and streetscape**

**In general conformity:** Reference is made to character assessments for Wolvercote which do not appear to have been completed yet, or provided as evidence. Suggest the policy is re-worded to include reference to the submission of a Design and Access Statement, which should take into account any relevant character assessments. The wording on the policy does need to be more clearly articulated for the benefit of both the decision maker and the applicant.
