Do you consider that the document is **unsound** because it is **not**: (tick as appropriate)

(a) positively prepared?

(b) justified?

(c) effective?

(d) consistent with national policy?

4

Please tell us below why you consider the document to be unsound, not legally compliant or fails to comply with the duty to co-operate. If you do believe the document is sound, legally compliant, or complies with the duty to co-operate you may use the box to explain why.

The developments to the east of the city will create more movement into the city centre and to the west, particularly with the development of Osney Mead. There are no easy and safe east-west cycle routes on the map and none are apparently planned. The student development on Union Street car park will encourage more cycling on the Cowley Road which is currently dangerous for cyclists and needs to be made safer.

What change(s) do you consider necessary to make the document sound or legally compliant? Please explain why this change will achieve soundness or legal compliance. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination.) It would be helpful if you could suggest revised wording for the policy or text in question.

A safe, quick and easy east-west cycle route across Oxford needs to be provided
