Dear Ms Ploszynski,

**Oxford City Council CIL Draft Charging Schedule (DCS) Review
Request to Postpone Examination Hearing**

I refer to your letter of 31 January 2020 requesting a postponement of the examination hearing for the Oxford CIL DCS Review, currently scheduled for 10 March 2020.

I note your intention to seek Cabinet approval on 11 March for the withdrawal of the DCS, in order to review the implications of the recent amendments to the CIL Regulations for the funding and delivery of infrastructure in the City.

In the light of this, I am willing to pause the examination from today for a period of 2 months, in order to give the Council the opportunity to decide how to proceed with the DCS Review. To confirm this includes pausing the timetable for parties to notify participation in the hearing and respond to my MIQs published last week.

I would be grateful if you would advise me of the Council's decision in due course, but by no later than Friday 3 April 2020.

In the meantime I will ask the Programme Officer to notify all interested parties of my decision to pause the examination and to arrange for this letter and your letter of 31 January to be placed on the examination website.

Yours sincerely,

Mike Hayden
