Dear Mr Gadsby

Withdrawal of Oxford's Draft Charging Schedule in accordance with Regulation 18 of the Community Infrastructure Levy Regulations 2010

On the 31st January 2020 we wrote to the inspector requesting a postponement to the CIL examination to allow time for cabinet at their next meeting to consider officer recommendation to withdraw the CIL Charging Schedule Review from examination. I am writing to confirm that at the Cabinet Meeting on 11th March 2020, members voted to support the officer recommendation to withdraw the Oxford CIL Charging Schedule Review from examination. The reasons are set out in a [Cabinet report](#) and [minutes](#) can be found on our webpage.

The City Council will continue to apply the current adopted CIL Charging Schedule, which has been in operation since 2013.

The withdrawal of the Draft Charging Schedule will be undertaken in accordance with Regulation 18 of the CIL Regulations 2010.

Yours sincerely,

Carolyn Ploszynski
