Dear Planning Policy Team

OXFORD LOCAL PLAN 2036 MAIN MODIFICATIONS CONSULTATION

As you are aware Carter Jonas is instructed by Oxford University Hospitals NHS Foundation Trust ("the Trust"). The Trust is responsible for three hospitals in Oxford: The John Radcliffe Hospital; the Churchill Hospital; and the Nuffield Orthopaedic Centre.

The Trust has read the schedule of modifications and the supporting Sustainability Appraisal. The Trust has also reviewed the context of these changes in the "strikethrough" version of the Local Plan. The three hospital sites are now proposed to be covered by Policies:

- SP19: Churchill Hospital Site
- SP20: Nuffield Orthopaedic Centre
- SP41: John Radcliffe Hospital Site

As detailed in the Statement of Common Ground (document reference COM.11) the Trust is generally content with the proposed policies. The Trust also accepts the comments and rationale of the Inspectors in their response to the SoCG (document reference IC.7). As such, the Trust **supports** the following 'Main Modifications':

- Churchill Hospital Site: MM77, MM47, MM49, MM50 and MM51 
- Nuffield Orthopaedic Centre: MM78, MM47, MM67, MM49, MM51 and MM44. 
- John Radcliffe Hospital Site: MM53, MM97, MM49, MM53 and MM51. 

If you require any further information from me, or have any questions please contact me at the information below.

Yours sincerely
