If you object, please state why:

The Examination Inspectors are required to consider whether the Local Plans have been properly prepared against tests set out in the Government's National Planning Policy Framework (paragraph 182). Please tick any which apply:

- Not positively prepared - i.e. the strategy will not meet development needs
- Not justified - i.e. there is no evidence to justify the modification
- Not effective - i.e. it won't work
- Not consistent with national policy - i.e. does not comply with the law

Question 10.

Reason for SUPPORT or OBJECTION:

Please give details to explain why you support or object to the wording of the Modification(s) or part(s) of the Sustainability Appraisal of the Main Modifications.

You must provide an answer to this question.

As I speedway supporter, I support the modifications, as I believe they will help with the return of speedway and greyhounds to the stadium, which will be very positive to the local area. I would have one concern that the amendments create a loophole for the current stadium owners to make a half-hearted attempt to re-open and then claim it unviable and then press for redevelopment. I trust the council would not allow for this to happen and instead use any CPO powers to make sure the stadium site ends up in the right hands.
