**Reason for SUPPORT or OBJECTION:**

Please give details to explain why you support or object to the wording of the Modification(s) or part(s) of the Sustainability Appraisal of the Main Modifications.

You must provide an answer to this question.

The local plan has been modified to remove the condition that 25% and 10% (respectively) of any development on the Jesus and Lincoln College Sports grounds should be public open space fronting the cycle path along Barracks Lane.

The loss of this frontage will affect the green corridor running down the Lye Valley to the Bartlemas allotments, along the brook that runs next to the current sports ground. The hedges and brook currently provide a habitat for birds and amphibians, and are part of the semi-rural aspect of this area.

## Question 11.
