Question 9.

If you object, please state why:

The Examination Inspectors are required to consider whether the Local Plans have been properly prepared against tests set out in the Government's National Planning Policy Framework (paragraph 182). Please tick any which apply:

- Not positively prepared - i.e. the strategy will not meet development needs
- Not justified - i.e. there is no evidence to justify the modification
- Not effective - i.e. it won't work
- Not consistent with national policy - i.e. does not comply with the law

Question 10.

Reason for SUPPORT or OBJECTION:

Please give details to explain why you support or object to the wording of the Modification(s) or part(s) of the Sustainability Appraisal of the Main Modifications.

You must provide an answer to this question.

I think the long term goal of Oxford City Council should be to drastically reduce the amount of motor vehicles on the roads of Oxford. This is because cars and towns do not go well together. Cars add to climate change, to pollution - air and noise - and to congestion. They also pose a danger to the public, to children and cyclists in particular. Oxford should become a city of pedestrians, cyclists and public transport.

Question 11.

Summary of Representation:

If your reason for support or objection is longer than 100 words, please summarise the main issues raised.
