Question 7.

To which Modification(s) or part(s) of the Sustainability Appraisal does this response relate?

You must provide an answer to this question.

Building on Green Belt land

MM21/G3

Question 8.

Do you Support or Object the proposed modification(s)?

You must provide an answer to this question.

- Support
- Object

Question 9.

If you object, please state why:

The Examination Inspectors are required to consider whether the Local Plans have been properly prepared against tests set out in the Government's National Planning Policy Framework (paragraph 182). Please tick any which apply:

- Not positively prepared - i.e. the strategy will not meet development needs
- Not justified - i.e. there is no evidence to justify the modification
- Not effective - i.e. it won't work
- Not consistent with national policy - i.e. does not comply with the law

Question 10.

Reason for SUPPORT or OBJECTION:

Please give details to explain why you support or object to the wording of the Modification(s) or part(s) of the Sustainability Appraisal of the Main Modifications.

You must provide an answer to this question.

Green Belt land is an irreplaceable national asset. When it's gone, it's gone forever and its loss is to the detriment of all the citizens of Oxford. Surely, if the will was there, rather than take the easy option, brown-field sites could be found within the city. Look at the iniquitous way the Council's mendacity and misguided vision of Oxford's civic character resulted in the destructive white elephant that is the Westgate shopping centre: it would have been the perfect opportunity to reinstate the lost St Ebbes district as affordable housing.

Question 11.

Summary of Representation:

If your reason for support or objection is longer than 100 words, please summarise the main issues raised.

Building on the Green Belt is wrong in principle and unnecessary if the Council had the will and imagination to use only brown field sites.
