Dear Sir/Madam

Oxford City Local Plan Main Modifications Consultation

Thank you for inviting South Oxfordshire District Council to comment on the main modifications of the Oxford City Local Plan.

We have reviewed the modifications proposed and have no comments to be made on these.

1848 -
38/2 -
M1

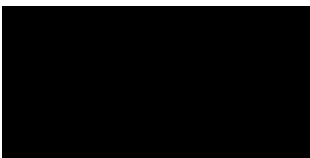

The Council welcomes the use of a stepped trajectory as proposed in the consultation document.

1847 -
38/1 -
MM15

The Council also supports the modification that the CO2 reduction target is now applied to all development (including student accommodation), C4 HMO or Sui Generis HMO floorspace).

If you require any further information or clarification, please do not hesitate to contact us.

Yours faithfully,

Emma Baker
