Dear Members,

Annual Audit Letter

The purpose of this Annual Audit Letter is to communicate to the Members of Oxford City Council and external stakeholders, including members of the public, the key issues arising from our work, which we consider should be brought to their attention.

We have already reported the detailed findings from our audit work to those charged with governance of Oxford City Council in the following report:

2012/13 Audit Results Report for Oxford City Council Issued 27 September 2013

The matters reported here are the most significant for the Authority.

I would like to take this opportunity to thank the officers of Oxford City Council for their assistance during the course of our work.

Yours faithfully

In March 2010 the Audit Commission issued a revised version of the 'Statement of responsibilities of auditors and audited bodies' (Statement of responsibilities). It is available from the Chief Executive of each audited body and via the [Audit Commission's website](#).

The Statement of responsibilities serves as the formal terms of engagement between the Audit Commission's appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The Standing Guidance serves as our terms of appointment as auditors appointed by the Audit Commission. The Standing Guidance sets out additional requirements that auditors must comply with, over and above those set out in the Code of Audit Practice 2010 (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities. It is addressed to the Members of the audited body, and is prepared for their sole use. We, as appointed auditor, take no responsibility to any third party.

1. Executive summary

Our 2012/13 audit work has been undertaken in accordance with the Audit Plan we issued on 14 February 2013 and is conducted in accordance with the Audit Commission's Code of Audit Practice, International Standards on Auditing (UK and Ireland) and other guidance issued by the Audit Commission.

The Authority is responsible for preparing and publishing its Statement of Accounts, accompanied by the Annual Governance Statement. In the Annual Governance Statement, the Authority reports publicly on an annual basis on the extent to which they comply with their own code of governance, including how they have monitored and evaluated the effectiveness of their governance arrangements in the year, and on any planned changes in the coming period. The Authority is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

As auditors we are responsible for:

- ▶ forming an opinion on the financial statements;
- ▶ reviewing the Annual Governance Statement;
- ▶ forming a conclusion on the arrangements that the Authority has in place to secure economy, efficiency and effectiveness in its use of resources; and
- ▶ undertaking any other work specified by the Audit Commission.

Summarised below are the conclusions from all elements of our work:

Audit the financial statements of Oxford City Council for the financial year ended 31 March 2013 in accordance with International Standards on Auditing (UK & Ireland)	On 27 September 2013 we issued an unqualified audit opinion.
Form a conclusion on the arrangements the Authority has made for securing economy, efficiency and effectiveness in its use of resources.	On 27 September 2013 we issued an unqualified value for money conclusion.
Issue a report to those charged with governance of the Authority (the Audit and Governance Committee) communicating significant findings resulting from our audit.	On 27 September 2013 we issued our report in respect of the Authority.
Report to the National Audit Office on the accuracy of the consolidation pack the Authority is required to prepare for the Whole of Government Accounts.	We reported our findings to the National Audit Office on 27 September 2013.
Consider the completeness of disclosures in the Authority's Annual Governance Statement, identify any inconsistencies with the other information of which we are aware from our work and consider whether it complies with CIPFA / SOLACE guidance.	No issues to report.
Consider whether, in the public interest, we should make a report on any matter coming to our notice in the course of the audit.	No issues to report.
Determine whether any other action should be taken in relation to our responsibilities under the Audit Commission Act.	No issues to report.
Issue a certificate that we have completed the audit in accordance with the requirements of the Audit Commission Act 1998 and the Code of Practice issued by the Audit Commission.	On 27 September 2013 we issued our audit completion certificate.
Issue a report to those charged with governance of the Authority summarising the certification (of grant claims and returns) work that we have undertaken.	We will issue our report in January 2014 once this work has been completed.

2. Key findings

2.1 Financial statement audit

We audited the Authority's Statement of Accounts in line with the Audit Commission's Code of Audit Practice, International Standards on Auditing (UK and Ireland) and other guidance issued by the Audit Commission. We issued an unqualified audit report on 27 September 2013.

I am pleased to report that the audit progressed smoothly with a good standard of working papers provided. The number and scale of the errors is much reduced from prior years. There are no significant issues from our audit which we wish to draw to your attention.

2.2 Value for money conclusion

We are required to carry out sufficient work to conclude on whether the Authority has put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

In accordance with guidance issued by the Audit Commission, in 2012/13 our conclusion was based on two criteria:

- ▶ The organisation has proper arrangements in place for securing financial resilience; and
- ▶ The organisation has proper arrangements for challenging how it secures economy, efficiency and effectiveness.

We issued an unqualified value for money conclusion on 30 September 2013. Our audit did not identify any significant matters.

2.3 Objections received

We received no objection to the 2012/13 accounts from members of the public.

2.4 Whole of government accounts

We reported to the National Audit office on 27 September 2013 the results of our work performed in relation to the accuracy of the consolidation pack where the Authority is required to prepare for the whole of government accounts. We did not identify any areas of concern.

2.5 Annual governance statement

We are required to consider the completeness of disclosures in the Authority's Annual Governance Statement, identify any inconsistencies with the other information of which we are aware from our work, and consider whether it complies with CIPFA / SOLACE guidance. We completed this work and did not identify any areas of concern.

2.6 Certification of grants claims and returns

We presented our Annual Certification Report for 2011/12 to those charged with governance on 28 February 2013. We certified 4 claims and returns worth £164m. We did not identify any significant issues from the certification of the claims and returns. We issued one qualification letter in relation to the Housing Benefit claim concerning incorrectly classified overpayments. We will issue the Annual Certification Report for 2012/13 in January 2014.

3. Control themes and observations

As part of our audit of the financial statements, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. Although our audit was not designed to express an opinion on the effectiveness of internal control we communicated to those charged with governance at the Authority, if necessary, any significant deficiencies in internal control.

We have not identified any significant weakness in the design or operation of an internal control that might result in a material error in your financial statements of which you are not aware.
