## DETAILS OF YOUR COMMENT

## Part B

Please use a new Part B for each point you are commenting on. Attach all completed forms to Part A.

Please read the accompanying notes before completing Part B. The notes explain what we mean by soundness and legal compliance. These are questions that we are expected to ask consultees.

**Q1. Which part of the document do you wish to comment on? (please give the relevant paragraph or policy number)**

Paragraph	<input type="text"/>	Policies Map	<input type="text"/>
Policy Number	<input type="text" value="E4"/>	Sustainability Appraisal	<input type="text"/>

**Q2. Do you consider that the document:**

(a) is legally compliant?  Yes  No

(b) is sound?  Yes  No

(c) complies with the duty to co-operate?  Yes  No

**Q3. Do you consider that the document is unsound because it is not: (tick as appropriate)**

(a) positively prepared?  (c) effective?

(b) justified?  (d) consistent with national policy?

**Q4. Please tell us below why you consider the document to be unsound, not legally compliant or fails to comply with the duty to co-operate. If you do believe the document is sound Policy E4 as drafted contains clauses that are not related to planning nor to land use**

**E4f and E4g relates to payment of wages. this is not relevant to land use and is therefore not an appropriate planning policy.**

**E4d is likewise seeking a degree of control that is not appropriate to planning control and is unenforceable by planners. it is not for the local planning authority to decide who the best worker is for a company or that someone might lose their job if they move home.**

**in any event on E4d there is no definition of what local means, does it mean people within the city (LPA boundary), does it mean people born locally, does it include people in the rural adjoining districts. it is unduly vague, and thereby not justified nor consistent with national policy.**

**Q5. remove criteria E4 d and E4 f and E4 g from the boxed text**

**this will make the policy a planning relevant policy**
