356 If you do NOT consider policy SPS8 to be sound, please select your reasons why from the choices below. Please give precise details for your reasons in the box below - if you wish to support the soundness of the policy please also use this box to set out your comments.

policy is NOT positively prepared, policy is NOT justified, policy is NOT effective

sps8 comments:

Area is unsuitable for sustainable development. The fact that it was in an earlier plan is not proof that is adequately justified, Any such development harms Iffley's conservation area, local ecology and threatens the quiet route along Meadow Lane and Church Way in providing access. It is partially in a flood zone.

There are numerous constraints, making it possible that the site would never be suitable for development at all.

Development on this site would be unsustainable. The allocation is unsound and SPS8 should be deleted from LP 2045.
