Good morning

I am responding to the final consultation on Oxford's new Local Plan 2045. As a local resident and frequent user of this lane and surrounding area I strongly believe that any development at Land at Meadow Lane SPS8 (known locally as the Horse Fields) would be unsustainable and cannot be delivered in a viable fashion in accordance with local and national policy. This makes the allocation unsound, and site SPS8 should be deleted from LP 2045.

Yours sincerely

Clare

DETAILS OF YOUR COMMENT

Part B

Please read the accompanying notes before completing Part B. The notes explain what we mean by soundness and legal compliance. These are questions that we are expected to ask consultees.

Please use a new Part B for each point you are commenting on. Attach all completed forms to Part A.

Q1. Which part of the document do you wish to comment on? (please give the relevant paragraph or policy number)

Paragraph		Policies Map	
Policy Number	SPS8	Sustainability Appraisal	

Q2. Do you consider that the document:

(a) is legally compliant?	☒ Yes	☒ No
(b) is sound?	☒ Yes	☒ No
	☐	☐

Q3. Do you consider that the document is **unsound** because it is not: (tick as appropriate)

(a) positively prepared?	☒	(c) effective?	☒
(b) justified?	☒	(d) consistent with national policy?	☒

Q4. Please tell us below why you consider the document to be unsound or not legally compliant. If you do believe the document is sound or legally compliant, or complies you may use the box to explain why.

The fact that the policy is not positively prepared, effective or justified means that it cannot meet the tests of soundness or legal compliance. Any development at Land at Meadow Lane SPS8 would be unsustainable and cannot be delivered in a viable fashion in accordance with local and national policy. This makes the allocation unsound and site SPS8 should be deleted from LP 2045. A zero allocation makes no guaranteed or reliable contribution to meeting housing needs and so cannot be effective. Oxford City Council have not been able to deliver housing on the Horse Fields over the 5 year period of the current Local Plan. They have now learnt about the sensitivity of the site in particular for ecology, the conservation area and access and have reduced the number of houses on the allocation from 32 to effectively zero, with no certainty of being able to deliver any housing at all. This is clearly not an effective policy.

Please use an extra sheet if completing a paper copy.

Q5. What change(s) do you consider necessary to make the document sound or legally compliant? Please explain why this change will achieve soundness or legal compliance. It would be helpful if you could suggest revised wording for the policy or text in question.

I believe it cannot be made sound or legally compliant and should be removed from the Local Plan.

Please use an extra sheet if completing a paper copy.

This is the end of the comment form
