Hello

My name is Martin Pevsner, address [REDACTED], and my email is [REDACTED]. I wrote objecting to the planned Iffley building work and you replied that I needed to complete Part A form or email the same information to you.

I am writing now in response. I am

happy for you to process my data and state my views. You are welcome to state my name and my home city or postcode when publishing my response.

Thanks for your help in this matter

Best

Hello,

We are contacting you because we haven't yet received the required Part A form to accompany your submission for the Oxford Local Plan Regulation 19 consultation. This form is a mandatory requirement, as it provides us with the necessary permission to process your data and include your views.

To ensure your comments are included, please complete the attached form by Wednesday 29th April. If you're having difficulty completing the form, we can accept these details written via email. If you opt for this, please ensure a response to the data protection segment is included.

Please note that this is the final request. If we do not receive these details, we will be unable to include your response.

Kind regards,

Dear Sir/Madam

My name is Martin Pevsner and I live a [REDACTED]

I am writing to express my strong view that the plan to build housing on the Iffley Horse Fields should be abandoned.

I believe that any development at Land at Meadow Lane SPS8 (known locally as the Horse Fields) would be unsustainable and cannot be delivered in a viable fashion in accordance with local and national policy. This makes the allocation unsound, and site SPS8 should be deleted from LP 2045.

Thank you in advance for considering my objections.

Yours faithfully
