Good evening

Regarding building an estate in this area is a Disaster, such a Horrible idea.

Regarding for one the wildlife, even though there are curly Birds, in this feild, Which is supposed to be protected!!!

That's not any part of BNG and Ecology survey in anyway, They definitely don't care on any wildlife, just building more unnessary Houses.

2000 Houses have recently built in this area in Barton Park, so this is unjustified.

Is it Labour just trying to meet targets , and Don't care of the impact of the affect on the Roads and community, and wildlife which cannot get replaced.

121.1 SPE14 - Unsound, not justified.
