Your guide to Hinksey Park

GO Active Outdoors aims to provide you with all the information you need to be more active outdoors.

Being outdoors is good for us in so many ways and can help us be happier and healthier – it helps us be physically active, to de-stress and be calm and to connect with our local community and the environment we live in.

Whilst everyone is different we hope there is something to interest, inform, inspire and motivate you to explore our amazing parks and GO Active Outdoors.
